I hate your smile  
I hate your voice  
you make me sick to my stomach  
when I see you I want to hit you  
I want to punch you in the face  
and knock you down

It's a shame that you've never learned your lesson.  
You continue to push buttons untill System Meltdown

I want to break you to peices  
I want to crush all your dreams  
and bury all your hopes  
I want you to feel what I felt  
I want to make you cry  
I want you to die inside  
I want you you to rot to ashes  
I want life to kick you hard  
how does it feel? When it's you...

I hate your laugh  
I hate your stupid jokes  
you think you're funny  
but you're not.

I'm not suprised nothing has changed.  
once a douche normally stays one.

I want to break you to peices  
I want to crush all your dreams  
and bury all your hopes  
I want you to feel what I felt  
I want to make you cry

I want you to die inside  
I want you you to rot to ashes  
I want life to kick you hard  
how does it feel? When it's you...

I want to make you feel like I did  
everytime you taunted me  
it's time you feel true pain

I want to break you to peices  
I want to crush all your dreams  
and bury all your hopes  
I want you to feel what I felt  
I want to make you cry  
I want you to die inside  
I want you you to rot to ashes  
I want life to kick you hard  
how does it feel? When it's you...

I want to break you to peices  
I want to crush all your dreams  
and bury all your hopes  
I want you to feel what I felt  
I want to make you cry  
I want you to die inside  
I want you you to rot to ashes  
I want life to kick you hard  
how does it feel? When it's you...

I want to break you to peices  
I want to shatter your soul  
I want you to beg on your knees for forgiveness.  
even though I won't accept it.
