Bounty on my head
wanted for blood
you better run!
death is around the corner
with a loaded gun
Full throttle!!

I'll save you!!
repentance is here for you
I'll save you!!
I'm not the one who is after you

surrounded by death,sex and hate
what am I to do?
struck with the knife of forbidden dread

If you want to know him
just open your eyes
if you wish to be free
just get on your knees
like a superhero
he'll save the day
deliver you from your dismay
for I'm a sinner
Dear God, forgive me

strolling around streets filled with guilt
my blood is tainted
smells like the stench of death is after my heart

I'll save you!!
hold on just a little more
I'll save you!!
don't disgrace the life that I gave you

running away from the devils pave
I'm out of breath
I'm struck ill convicted of modern death

If you want to know him
just open your eyes
if you wish to be free

just get on your knees
like a superhero
he'll save the day
deliver you from your dismay
for I'm a sinner
Dear God, forgive me

If you want to know him
just open your eyes
if you wish to be free
just get on your knees
like a superhero
he'll save the day
deliver you from your dismay
for I'm a sinner
Dear God, forgive me
