just enjoy your self just turn up the sound
just turn up your radio GAL's POP is back in town

blast'n out your stereo 1,2,3,4 here we go!
what we have is wonderfull
what we play you know
electronic system music
music is our glue

just relax yourself just take your load off
just sit back don't think to hard just listen to our songs

blast'n out your stereo 1,2,3,4 here we go!

electronic system music
