[Verse 1]

I am looking for a special girl
With a sexy body who can rock my world
Just like a superstar maybe you are the one
If I was blind and hideous I'll still see
So bring it on

[Pre-Chorus]

This is the girl city to city
I looked for you in a magazine
Pretty faces all I see
All I need is a girl for me
I'm on a mission and will make it succeed
You're the one that can make me complete
I want you girl, I need you girl
Whoa.

[Chorus]

Girl, are you the one
I'm looking for
All my life
I can't take it no more
Are you the one
I'm yearning for
All my life
I can't take it no more

[Verse 2]

I'm still feeling for that freaky girl
I don't wanna fight it
But I just can't hide it
She drives me crazy
She's always on my mind
All the time

[Pre-Chorus]

This is the girl city to city
I looked for you in a magazine
Pretty faces all I see
All I need is a girl for me
I'm on a mission and will make it succeed

You're the one that can make me complete
I want you girl
Ooh.

[Chorus]
Girl, are you the one
I'm looking for
All my life
I can't take it no more
Are you the one
I'm yearning for
All my life
I can't take it no more

[Bridge]
I'm still searching for that girl
All the clouds around the world
And if I meet that girl
I'll tell the girl to stay

[Chorus x2]
Girl, are you the one
I'm looking for
All my life
I can't take it no more
Are you the one
I'm yearning for
All my life
I can't take it no more
