[Verse 1]

Conversation, is going round  
People talking 'bout the girls  
Come to town  
Lovely ladies (ladies)  
Pretty asking me  
No one knows her name  
She's just a mystery  
I have seen her  
Maybe once or twice  
One thing I can say  
Is Susie's very nice  
She's a lady (lady)  
One I really wanna know (really wanna know)  
Somehow I've got to let my  
Feelings show

[Chorus]

She's fresh, fresh  
Exciting  
She's so exciting to me yeah  
She's fresh, fresh  
Exciting  
She's so inviting to me

[Verse 2]

I've been thinking  
About the way you walk  
Baby, but I like the way you talk  
Trying something  
I really getting high  
Heaven must have sent you to be  
By my side  
Fresh and lovely (fresh)  
Like a dream come true  
I'll give anything  
To spend the night with you  
But I'm feeling  
And I can't stop it baby  
Let's get the lady  
Taking me away

[Chorus]  
She's fresh, fresh  
Exciting  
She's so exciting to me yeah  
She's fresh, fresh  
Exciting  
She's so inviting to me yeah

[Bridge]  
Fresh as the summer breeze (summer breeze)  
So I'll take you by surprise  
Oh, she means so much to me yeah  
I'll do whatever to make her mine

[Verse 3: Rap]  
She's only fresh like a caddy on twenty two  
The way you move, daddy is proud of you  
Ain't no secret we acting up  
When you bend over and back it up  
And I met you like once or twice  
I look in your eyes; I want your thighs on ice  
Damn you nice  
Think like a milkshake  
A little pimping, go home make booty shake  
You fresh ma, give me a yes ma  
Look in your eyes  
I think about you breast huh-acap
