How am I supposed to live without you
Now that I've been loving you so long
How am I supposed to live without you

I could hardly believe it
When I heard that news today
I had to come and get it straight from you
They said you were leavin'
Someone swept your heart away
From the look upon your face, I see it's true
So tell me all about it,
Tell me 'bout the plans you're makin'
Ooh, tell me one thing more before I go

Tell me how am I supposed to live without you
Now that I've been lovin' you so long
How am I supposed to live without you
And how am I supposed to carry on
When all that I've been livin' for is gone

Didn't come here for crying
Didn't come here to breakdown
It's just a dream of mine that's coming to an end
And how can I blame you
When I built my world around
The hope that one day
We'd be so much more than friends
And I don't wanna know
The price I'm gonna pay for dreaming
I need you now, it's more than I can take

And I don't wanna know
The price I'm gonna pay for dreaming
Now that your dream has come true

Gone without you...
Now that I've been lovin' you so long
How am I supposed to live without you
And how am I supposed to carry on
When all that I've been livin' for is gone
