We started right
We knew each other well
Our love is just another story
Time can tell
And there it goes
Like seasons that change
The sweetest words and deeds
Have gone away
Now I'm here to say I'm sorry
I am here because I care
And I'll take this lifetime
Learning how to love and give...
But...
I just can't give my love
I just can't give a piece of my heart
I just can't let you take, just a part of me
If I can't give them all to you
To live,
Is learning to give,
Our life to HIM
Who made us both complete
And as long as we both hold on
To the one who brought us here
We'll take a lifetime learning how to
Love and give
(But...)
Everything I am is for you...
All for you
I just can't let you take, just a part of me
If I can't give them all to you...
I'll give my whole heart to you
