"When I Love"

Visit "[When I Love](#)" on MotoLyrics.com

Once before, I fell in love
And like a song
Love played so sweetly
And overwhelmed me

A gentle breeze filled the air
When he's near
The day seemed endless
As we shared timeless moments

When I love
I will let him hold me in his arms
For as long as he wants
I will never let go, oh no
There'll be no ifs, no buts
When I love

A gentle breeze filled the air
When he's near
The day seemed endless
As we shared timeless moments
