Tell me now  
If there's a way back to your heart  
Or have we come to far  
Tell me how  
I'll do anything  
To live you ( )  
All I want to know

(Chorus)  
Where's the good in goodbye  
It means you're not in my life  
Wheres the good in goodnight  
If you're not by my side  
Take my heart take my soul  
I won't need them anymore  
If you're not in my life  
Tell me where's the good in goodbye

II  
If you leave  
You take everything I need  
'Coz you're the air I breath  
I'll go on  
But if I have to learn to live without your kiss  
Baby tell me this

(Chorus)  
Wheres the good in goodbye  
It means you're not in my life  
Where's the good in goodnight  
If you're not by my side  
Take my heart take my soul  
I won't need them anymore  
If you're not in my life  
tell me where's the good in goodbye

Baby where's the good

(Repeat Chorus)

(fading Words)  
Baby why you tell me this

All I want is one more kiss  
Baby I'm right you by my side  
Tell me where's the good in goodbye  
Baby believe me
