I got a brand new skillet¹, I got a brand new lead,
all I need is a little woman, just to burn my bread
I'm tellin' you baby, I sure ain't gonna deny,
let me put my banana in your fruit basket, then I'll be
satisfied

Now, I got the washboard, my baby got the tub,
we gonna put 'em together, gonna rub, rub, rub
And I'm tellin' you baby, I sure ain't gonna deny,
let me put my banana in your fruit basket, then I'll be
satisfied

Mmmmm, gonna let my banana spoil now,
mama, gonna let my banana spoil, now
I can see the way you carryin' on,
you don't want my banana no how

Now I got the dasher², my baby got the churn³,
we gonna churn, churn, churn until the butter come
Then I'm tellin' you baby, I sure ain't gonna deny,
let me put my banana in your fruit basket, then I'll be
satisfied

Now my baby's got the cloth, and I got the needle,
we gonna stitch, stitch, stitch, 'til we both will feel it
Then I'm tellin' you baby, I sure ain't gonna deny,
let me put my banana in your fruit basket, then I'll be
satisfied

Mmmmm, gonna let my banana ruin, now,
mmmmmm, gonna let my banana ruin, now
I can see the way you carryin' on,
you don't want my banana no how

Now my baby's got the meat, and I got the knife,
I'm gonna do her cuttin', this bound to solve my life
And I'm tellin' you baby, I sure ain't gonna deny,
let me put my banana in your fruit basket, then I'll be
satisfied

Note 1: skillet, a small kettle or pot usually having three or four often long feet and used for cooking on the hearth OR a metal pan with a handle that is used for frying foods, called also fry pan;

Note 2: dasher, a device having blades for agitating/stirring a liquid or semisolid

Note 3: churn, a vessel for making butter in which milk or cream is agitated in order to separate the oily globules from the watery medium.
