Baby if you don't like my peaches, baby please don't-
cha touch my tree
Baby and if you don't love my peaches, baby please
don't touch my tree
And if you don't want me to have your potatoes, don't
mash my digger1 down so deep

Say's when I use my digger, I use it in different ways,
I dig potatoes for these women, both night and day

Baby if you don't like my peaches, baby please don't-
cha touch my tree
Baby and if you don't love my peaches, baby please
don't touch my tree
And if you don't want me to have your potatoes, don't
mash my digger down so deep

Says when I get to use my digger, I use it like I should,
the women all cryin' your old digger, ya know, it digs
and feels so good

Baby if you don't like my peaches, baby please don't-
cha touch my tree
Baby and if you don't love my peaches, baby please
don't touch my tree
And if you don't want me to have your potatoes, don't
mash my digger down so deep

Says when I get to use my digger, I use to the side and
up and down,
I can dig your potatoes better than any man in this town

Baby if you don't like my peaches, baby please don't-
cha touch my tree
Baby and if you don't love my peaches, baby please
don't touch my tree
And if you don't want me to have your potatoes, don't
mash my digger down so deep

Sometimes it takes three inches to dig for 'tatoes,
sometimes it takes four,

when I find 'em deep, you know, I mash it down some
more

Baby if you don't like my peaches, baby please don't-
cha touch my tree

Baby and if you don't love my peaches, baby please
don't touch my tree

And if you don't want me to have your potatoes, don't
mash my digger down so deep

Note 1: digger, a tool for digging in the ground.
