I got somethin' to tell ya baby, don't get mad this time,
if you warm my wiener¹, you give me ease all up in my
mind

Baby, please warm my wiener, oh, warm my wiener,
won't you just warm my wiener, 'cause he really don't
feel right cold

Now listen here, sweet baby, I ain't no lyin' man,
if you warm my wiener one time, you gonna want him
again

Baby, please warm my wiener, oh, warm my wiener,
won't you just warm my wiener, 'cause he really don't
feel right cold

Said some says it takes hot water, baby, can't you see,
but your heat, baby's, plenty warm enough for me

Baby, please warm my wiener, oh, warm my wiener,
won't you just warm my wiener, 'cause he really don't
feel right cold

Now listen here sweet baby, it ain't no fake,
I'm beggin' you baby, now just give your daddy one
break

Baby, please warm my wiener, oh, warm my wiener,
won't you just warm my wiener, 'cause he really don't
feel right cold

Now listen here, sweet baby, you know the time's
growin' old,
I don't want you to warm half of my wiener, I want you
to warm him all

Baby, please warm my wiener, oh, warm my wiener,
won't you just warm my wiener, 'cause he really don't
feel right cold

Note 1: wiener, short for wienerwurst, a Weiner sausage.
