CHE'A CHE'A CHE'A HE YO
CHE'A CHE'A CHE'A HE YO
Moving Up A Ways, Over Yonder
Where the Rainbow Sighs
And the Eagle CRYs to Sun
We are all ONE, in the Sun
Moving Up A Ways, Over Yonder

Where the Blue Doe calls
And the White Snow falls
To the Sand, And to this face,
And to these hands, And to where I stand
Up Over Yonder

WAKAN, WAKAN, WAKAN
Moving Up A Ways, Over Yonder

Where the Sky Elk talks
And the White Bull walks in the Rain
He's come again, He is the same,
Moving Up A Ways, Over Yonder

Where the Moon Dove Sings
And Sky Girl brings me my wine
White-silver wine and the stars do shine
Up over Yonder
