*Don't you know
Don't you know
I'd been waiting for you?
Don't you know
Baby, you just showed up
Right on time

**Can't you see
Can't you see
I'd been waiting for you?
Can't you see
Baby, you touched my heart
Right on time

When I was younger
I was just greedy
All I wanted was
Attention

Party after party
Beauty and money
We were so desperate for
Perfection

But you have made me
Feel so good
Just by pulling me closer to you

I close my eyes in your arms
The life is simple again with you
