"Camel Toe"

Visit "[Camel Toe](#)" on MotoLyrics.com

You're a beautiful girl
and your pants are on on so tight
that when you stand just right
I can see it all

When your on the beach
and your bikini's soaking wet
I see a fuzzy silhouette as I look down below
I see your camel toe

(Chorus)
Your monkey, your muffin, you ain't hidden nothin,
Your biscuit, your cleavage, i see your cooter cleavage
Your coochie, your flapper, your showin off your
snapper,
Your camel toe, it looks so right so baby let it show
Looks like a big taco,
I see your camel toe
(Merci, madamme, voila la bearded clam)

I could really go
for a sideways sloppie joe
or a tuna casserole
baby don't you know

I never thought I'd see
so much of your anatomy
Your cheeks are so tight
I'm learning geinacology
I see your camel toe.

(Chorus) only know first part
The rest of the song is right in the other submitted
song. Best i can do.
