Once I had a good man  
Once a good man, he had me  
A "happy do right" good man  
Made me sing sweet melodies

Happiness was around me  
You know I had to get mine's twice  
No sorrow will surround me  
Once a good man, you know he did me right

Treated me good  
Made me happy  
But then one day he left me

There's something I must confess  
When he left, I was in a mess

Ooh let me testify  
Let me rectify  
And explain how he did me wrong

Ooh he left me all alone  
Oh! One day that good man was gone  
Whoa! He left me all alone

And I said,

"Is there some state of true love?  
Between a woman and a man?"  
I guess I gotta keep on searching. Yeah!  
I'ma keep on searching 'til I find that love again

Oh! Gotta keep on looking  
I'm gonna look high, hey!  
I'm gonna look low  
Yeah, everywhere I go

Gotta keep on looking! Yeah!  
For that true love again  
Yeah, let me find that true love again  
Break it down, break it down... yeah...

Well, ahem um um... yeah  
Gonna keep on looking  
For that true love again
