First Verse:

Oh, I think I might need a cigarette
Cause weâ€™d be off and then weâ€™re on again
I just donâ€™t get it, don't why we do this, why we do
this for?
One day weâ€™ll be in a Cadillac
I'll be ridin' with my seat laid back
Next day Iâ€™ll be breaking all your windows,
keyin' up your doors!

Pre-Chorus:

Donâ€™t know how you do,
To me what you do!
But baby, ooh you
you do it so good!
And yeah, we break up,
I break all yo stuff
That's just how we love
We keep it so hood

Chorus:

How you make me feel, can't nobody do that for me
And we go through some things, but I canâ€™t stop
loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
The way my body feel when youâ€™re laying right
beside me
Boy, Iâ€™mma be right here, donâ€™t care what
nobody say
Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it

Second Verse:

Oh, I now I be catching attitudes
Throwin' things and gettin' mad at you
Yeah, itâ€™s crazy

But itâ€™s in the name of, in the name of love!
Sometimes you gettin on my nerves
Say I hate you but that sh** donâ€™t work
And errtime, we say weâ€™re through with it
Weâ€™re back in love again!

Pre-Chorus:

Donâ€™t know how you do,
To me what you do!
But baby, ooh you
you do it so good!
And yeah, we break up,
I break all yo stuff
That's just how we love
We keep it so hood

Chorus:

How you make me feel, can't nobody do that for me
And we go through some things, but I canâ€™t stop
loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
The way my body feel when youâ€™re laying right
beside me
Boy, Iâ€™mma be right here, donâ€™t care what
nobody say
Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it

Bridge:

If you call yo man yo boo
And you like and love him too
Say I like it, I like it!
If he give it to you good
And he keep that lovin' hood
Say I like it, I like it!
I like it!
I like the way you kiss me, baby!
I like it!

Chorus:

How you make me feel, can't nobody do that for me
And we go through some things, but I canâ€™t stop
loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it

Oh I like it, I like it
The way my body feel when youâ€™re laying right
beside me
Boy, Iâ€™m gonna be right here, donâ€™t care what
nobody say
Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it

Do me, baby!
Do me, baby!
Wait, wait!
Ooh I like the way!
