Mt body breaks beneath the weight. of toil and trouble,
fears and fights. sickness in me, world against me. i
cry to You tonight

Chorus

Christ have mercy. Lord have mercy. Holy Healer.
Stength within. Pass me not. Forsake me not, Lord.
Amen.

My enemies are whispering. thay pray my name may
die. so few to trust, so few are just. i cry to You tonight

Chorus

Christ have mercy. Lord have mercy. Faithful Brother.
Closest Friend. Pass me not. Forsake me not, Lord.
Amen, Amen.

My heart is dim, it's always been. i turn from what is
right. passions of youth tear me from truth. i cry to you
tonight.

Chorus

Christ have mercy. Lord have Mercy. Sinless Savior.
Judge of Men. Pass me not. forsake me not, Lord.
Amen, Amen.
