WAKE UP AND SING

Bob Howard

Wake up and sing la, la, la, la, la,
Start the day right
Take a tip from the robin, if you do some throbbin'
You'll be hummin' comin' home at night
Wake up and sing la, la, la, la, la,
Be a bob-white
Pucker up and whistle and you'll find that this'll
Make you whistle comin' home at night
Wh8ile the coffee is perkin',
Keep the vocal chord workin'
Ah! Ah! Ah! Ah! Ah! Ah!
Off key, on key, any old key
Just wake up and sing La, la, la, la, la
Start the day right
It's a great builder upper
And around aabout supper
You'll be hummin'
Comin' home at night
