Die... [x11]

Basically I want to know  
Basically I've got to know  
Basically I want to know  
Where we're going  
Where we're going

Die... [x8]

Does this change how you feel?  
Does this change how you feel?  
Does this change how you feel?  
About everything

Does this change how you feel?  
Does this change how you feel?  
About everything

And if you came out of love  
Or if you came out of fear  
The difference is  
Meaningless to me  
As long as you came here

I'm just complicating things [x3]

Does this change how you feel?  
Does this change how you feel?  
Does this change how you feel?  
About everything

Does this change how you feel?  
Does this change how you feel?  
About everything  
About everything  
About everything  
About everything  
About everything

Basically I want to know

Basically I've got to know  
Basically I want to know  
Where we're going  
Where we're going

Basically, I  
Basically, I  
Basically, I  
Basically, I  
Basically, I  
Basically, I
