"Captain Nemo"

Under the surface so crystal clear
Everyone was really tense
Waiting down there
He had his own world just like I had mine
We'll go separate ways 'til the next time
There are no words to say
As my friend swims away

Refrain:

Captain Nemo said, "Okay"
(Five, four, three, two, one)
Then I raised my hand and waved
Captain Nemo went away
(Love me when I'm gone)
Left me all alone, Nemo's going home

And as I watched him, police boats approached
An alien force haunting us like ghosts
"Wish I could stay here and play for a while
But I must be on my way ..."
The warmest of smiles
Then he dived into the waves
Among the other whales

Refrain (4x)
