(Tu cosa fai stasera)

-- featuring Jos Cura

Sarah:

Tu cosa fai stasera?

Rimani ancora un p
sar quest' atmosfera
ma non mi dire di no

Per farti prigioniero
qualcosa inventer
ma che bisogno c'era
di amarti subito un p

Jos:

Questo giorno una pazzia
ma la luna amica mia
se ti resta un sogno da buttare via
soli in mezzo a una citt
Solo amici e poi chiss

Poi non basta mai
tante cose da dirsi
e baciarsi e capirsi e stringersi
poi non basta mai
si fa tardi ma dai
dove corri a quest'ora?

Both:

Just show me how to love you
Io non ti lascio pi
gabbiano di scogliera,
io sto, una favola, e tu?
Just show me how to love you

Sarah:

Fame o febbre o quel che sia
mi ci sento a casa mia
dentro questo sogno da buttare via
non mi sembra vero ma
sembra un'altra la citt

Jos:

E non basta mai
tante cose da dirsi
e baciarsi e capirsi e stringersi
e non basta mai
gi tardi ma dai
dove torni a quest'ora?

Both:

Just show me how to love you
E ci ridiamo su
gabbiano di scogliera
ma dov'ri nascosto'
dov'ri finora?

Sarah:

Tu cosa fai stasera?
Ci ridiamo su
magari un'altra sera
ed gi domattina
e la luna la spegni tu!

What are you doing this evening?

Stay a little longer
it must be this place
but don't say "no"

I will invent something
to hold you prisoner
what a need there was
to love you a little so quickly?

Today's a crazy day
but the moon is my friend
if you still have a dream to throw away
us alone in the centre of a city
Just friends and then who knows?

But it's never enough
so many things to tell each other
and kiss, understand one another, hold one another
but it's never enough
and it's late, but so what?
where are you hurrying to at this hour?

Just show me how to love you
I will never leave you again
I, a seagull on the rocks,
will be like a fairy-tale, and you?
Just show me how to love you

Hunger or fever or whatever
I feel at home
inside this dream to throw away
it doesn't seem true but
seems another city

And it's never enough
so many things to tell each other
and kiss, understand one another, hold one another
and it's never enough
it's already late, but so what?
where are you going to this hour?

Just show me how to love you
and we'll laugh about it
like a seagull on the rocks
but where were you hiding?
where were you until now?

What are you doing this evening?
We'll laugh about it
perhaps another evening
it's already morning
the moon is sent away by you!
