Note: the [] in the last stanza is sung by Sarah, as a gliding sound or by mistake.

Ebbene? ... N'andr lontana,
come va l'eco della pia campana,
l, fra la neve bianca;
l, fra le nubi d'or;
l, dov' la speranza, la speranza
il rimpianto, il rimpianto, e il dolor!

O della madre mia casa gioconda,
la Wally n'andra da te, da te lontana assai,
e forse a te, e forse a te,
non far mai pi ritorno,
n pi la rive drai!
mai pi, mai pi!

N'andr sola e lontana,
come l'eco [] della pia campana,
l, fra la neve bianca;
n'andr, n'andr sola e lontana!
e fra le nubi d'or!

Wally
Well then? I will go far away,
As far as the echo from the church bell.
There, amid the white snow,
There, amid the golden clouds,
There where hope is,
And sorrow and regret!

O, Wally is going far away
Far from her mother's joyous home.
Maybe she'll never return to you,
You'll never see her again!

I will go alone and far away,
As far as the echo from the church bell.
There, amid the white snow,
I will go, I will go alone and far away,
And amid the golden clouds.
