Jerry Goldsmith / David Zippel
(And reachig) will not be soft and kind
At rest from life, from patience and from pain
At rest from bliss, we know not when we find
How can I have enough of life and love
In your eyes are my secrets that I've never shown you
In my heart I feel I've always known you
In your arms there's a comfort that I never knew
You're what I've been waiting for, there's no one like
you
Sure as the sunrise, pure as a prayer
You fashioned hope right out of thin air
Ev'ry dream lay abandoned, seems it could come true
I believe in miracles, there's no one like you
Innocent as a newborn in a world so frightening
It's as if my world's been stuck by lightning
Ev'ry dream lay abandoned, seems it could come true
I believe in miracles, there's no one like you
