Cuando anochezca
Te esperaré
Quiero volverte loco esta noche
Con la luna llena
Te esperaré
Hoy moriras entre mis brazos
Nunca soaste algo igual When the night falls
I will wait for you
I want to drive you crazy tonight
With the full moon
I will wait for you
Today you will die in my arms
You never dreamed about something like this

Hell's at heaven's door
As I need you more
When the moon is high
Passion never dies

You know you're my once in a lifetime
You know you're my once in a lifetime

Let me dive in
To pools of sin
Wet black leather on my skin
Show me the floor
Lay down the law
I need to taste you more

Refrain:
Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime

When you take me
And make me cry
Then I feel you satisfy
Show me the cage

It's all the rage
And lock it up

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime

Once in a lifetime
Once in a lifetime
Once in a lifetime

Giving you my soul
Letting you control
Took away a part of my lifetime
Memories of you
Left me black and blue
Now I know you're once in a lifetime

Refrain

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime

Then I feel your sea
Raining down on me
Can this be my once in a lifetime
(song fades out)
