Waters deep
Waters blue
The gently flow
From me to you

Your colored voice
It's vibrant toned
The hidden force
Of the big crystal blue

And by the light
Of the silvery moon
The wild horses
Come running home

Miles apart
But still entwined
I like to think
That you sit here too

And let your thoughts
And let your soul
Be gently lulled
By what's in front of you

Too many ashore
And the distant land
The seas unite
Bringing me to you

(And the first three stanzas are repeated)
