Little brother's got a habit  
That he thinks he's getting under control  
And he's selling all our love and best wishes as the  
hunger grows  
Living by the scriptures on the subway wall,  
He wants to be a rebel but he can't find a cause ...

chorus:

He needs something to believe in  
He needs something to believe in  
All he ever wanted was to get away

Little sister's getting serious with a fella nearly twice  
her age  
And she's aiming to move in with him  
As soon as they can find a place  
But there's no getting through to her, there's no other  
way  
You can't learn from mistakes that somebody else  
made ...

chorus

Caught in the void of no hope and no choice  
it's a nobody wins situation  
What can they do? - it's a catch 22  
It's a breakdown in communication

Little wonder they're confused no wonder we  
misunderstand  
Little wonder there's a wind of change blowing through  
the land,  
Nobody's guilty ... it's a sign of the times  
But we won't see the future 'til we open our eyes

We need something to believe in  
(Something to Believe In)  
We need something to believe in  
(Something to Believe In)  
We need something to Believe In

(Something to Believe In)  
We need something to believe in  
All we ever wanted was to get away
