Ahora
t me pierdes la razn
no digas nada
siempre siempre sern los dos
sabemos
aquella noche
y por la calle
lo mismo ser.

T quieres volver y no te veo ms
t quieres volver y no me siento na.
T quieres volver y no te veo ms
t quieres volver y no me siento na.

T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.
T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.

Yo pienso aquel da
lo mismo que ayer,
lo mismo ser.

Yo pienso aquel da
lo mismo que ayer,
lo mismo pensa.

T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.
T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.

T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.
T quieres volver y no te veo ms
t quieres volver y no me encuentro ms.

You want to return
Now
you make me lose reason,
don't say anything

always, always it will be the two of us
we know
that night
and in the street
the same thing will be.

You want to return and I don't see you anymore
you want to return and I don't feel anything.
You want to return and I don't see you anymore
you want to return and I don't feel anything.

You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
You want to return and I don't see you anymore
you want to return and I can't find myself anymore.

I think that day,
the same thing as yesterday,
the same thing will be.

I think that day,
the same thing as yesterday,
the same thinking.

You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
You want to return and I don't see you anymore
you want to return and I can't find myself anymore.

You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
