I took a walk today, through these gray lonely streets
Thinkin of you, missing you, and hoping that we'd meet
I didn't tell my legs where to go,
I just walked up to the dock
I sat on the edge
Fighting a shiver
Telling everything I hurt, inside

chorus

And the river cried, 'coz I lost your love
The river cried, aaaaahhhh
The river cried, for my lonely soul
The river cried, you were the only one that really knew
me
You were the only one in whom I confide
And hearing this... the River Cried

Oh . . .

I say myself today, through these gray lonely streets
Did you have to leave this town or did you just have to
leave me?
All these questions in my mind
I didn't see the signs,
The river keeps flowing, I can't keep going
Waiting for you too return, my pride
chorus 3x
