[some lines sung in Indian: "Dil cheez kya hai aap meri / ..."]

[another singer then sings several times something like "da-hay"]

We saw the holy men  
come in from Sanchi  
We touched their souls  
and heard the Martyrs crying  
Among the fields of red  
we took the strange brew  
The windless sky diwali  
moon were calling to me  
The deeper I go  
the higher I fly with you

You take my breath away  
Ooho you ... -- lines repeated several times

[some lines sung in Indian, from the first singer]  
You take my breath away ...

You take my breath away  
Ooho you ... -- lines repeated many times
