I fell deeper and deeper as light now was gone  
I could feel the dark embrace my soul  
Agony was no more, and so was pain  
At this point of solitude I knew I was there  
There where I belong  
Thus far a long journey through my souls infinity  
It has been a journey far beyond mortality  
I have found what I wanted, tranquility  
I'll thrive on evil, eternally

I flew over crystal ground  
My existence, numb  
Over orchards of grievance,  
Sorrow and tears  
This beautiful silence  
Calls me now

Black fog devours me but I can see it all  
The monument of my past,  
This land of seven horizons before my eyes  
I reach the land of spiritual rest

It's the dawn of descending  
- I am the Somberlain  
Down to evil divine domain

Lord of infernal, gather my strength  
Carry me through the gates

It's the dawn of descending  
- I am the Somberlain  
Down to evil divine domain

For I'm eternal night  
- I'm the Somberlain  
Precede my evil divine domain
