We Didn't Say That
U.G.L.Y.

U.G.L.Y.

O.K! I'm a cheerleader now!

U.G.L.Y
You ain't got no alibi
You ugly
Hey! Hey! You ugly X4

I saw you walking down the street just the other day
I didn't see your damage from that far away
I should have got a clue when the kids started
screaming
You walked up to me with your buck teeth a-gleaming
You hair was all frizzy and your face was a mess
I thought it was a sack but it's your favourite dress
You hurt the trees feelings and the birds all flew
I don't mean to insult you - Oh yes I do!

Your teeth are yellow they're covered in mould
You're only fourteen you look a hundred years old
When looks were handed out you were last in line
You face looks like where the sun don't shine
Did you fall off a building and land on your head
Or did a truck run over your face instead
There ain't no pill cos you ain't ill
You ugly!

U.G.L.Y
You ain't got no alibi
You ugly
Hey! Hey! You ugly X2

What you really need is to wear a mask
And book that plastic surgeon fast, girl
You're scary you're hairy I heard about you
You're the main attraction at the city zoo
You're so ugly with a belly full of flab

When you wear a yellow coat people shout out cab! (So funny)
You got eyes like a pig and your nose is big
And with hair like that you should be wearing a wig
Uncle Fester remember him
I never knew that you had a twin
You can't disguise your googly eyes
In the Miss Ugly pageant you win first prize
Your mama says you ugly, you ugly

U.G.L.Y
You ain't got no alibi
