Lets go toros x4
Alrite!!!
We're sweet! We got the whip! we can't be beat
We're the best, our team's too cool
we got the class to rock this school

(Clovers)
Oh yeah!!!
We bad! we got the team we can't be had
we're the best so score them points
you win the game, we'll rock this joint

(Toros)
Go Toros, Go Toros, Go, Go, Go Toros

(Clovers)
Go Clovers, Go Clovers, Go, Go, Go Clovers

(Clovers and Toros)
Our game is fierce and we are hip
So get on back you can't touch this

Our game is bad, we're without peer
So get that weakness outta here

(Clovers)
you're tryin to steal our bit
But you look like shit
But we're the ones who are down with it
