Oh Torance,
can't stand you're cheerleading squad.
but i love your ponpons..
ill feed you bonbons tonight..
1234!

Yeah you got me to feel those butterflies inside,
in your locker i would hide
the thruth its only you i see,
and you just what i need!
i bring you flowers every day,
just to roll you in the hay
well i feel inside
im right on time
ill know i get my waaaaaay!

And you're just what I need
and you're just what I need
not every thing works out to seem
is that so hard to believe?
hahh...

So i went down
to the record store,
take my head up off the floor
the thruth its only you i see!
and your just what i need!
and if its my hood that you fear
let me make this very clear
well i feel inside
im right on time
ill know i get my waaaaaay!

And you're just what I need
and you're just what I need
not every thing works out to seem
is that so hard to believe?
yeah!?
Whoooooha!

i bring you flowers every day,

just to roll you in the hay
well i feel inside
im right on time
ill know i get my waaaaaay!

And you're just what I need
and you're just what I need
not every thing works out to seem
is that so hard to believe?x2

Yeaaaah!
