When we love the least
When we love the weak
When we love these
We love Jesus

Jesus brings a meal for tips
Jesus trying hard to quit
Jesus raising two alone
Jesus drives a heavy load

Chorus
When we love the least
When we love the weak
When we love these
We love Jesus

Jesus with worn wrinkled hands
Jesus sows a patch of land
Jesus hides a tattooed arm
Jesus keeping dinner warm

Chorus

Jesus waves a foreign flag
Jesus wrings a washing rag
Jesus leans on prison bars
Jesus swinging in my yard
