This way is paved with tears
Shed for two thousand years
Wrung from the saints sincere
Martyred and mourned
Spirit who scorched their veins
Burn in my bones the same
Bid me to earn their chains
And take the cross of my Lord, my Lord and

Chorus:

Give up the whole wide world
Give up the whole wide world
For my share of blessing and beauty and bloodshed
And wonders and woes
The wonders and woes of the narrow
Of the narrow

This way is eased with song
Sung where we don't belong
Sung till the weak are strong
And home with my Lord, my Lord

Repeat Chorus

Take my life
Pour me out
