Jesus, I am through defending
This war's never ending inside me
I've been fighting not to forfeit
Trying not to trust in
Only you
But I can't get well
I can't get through
I can't get by
If I can't get you

Chorus:
There's a white flag
Waving where my colors used to fly
You win
There's a white flag
Giving up and giving all of me - I give in
I'm Yours to reign and to rule
I'm just a fool
With a white flag

Jesus, now my fist is open
Now my sword is broken
I come in peace
'Cause I can't get well
I can't get through
I can't get by
If I can't get you

Mercy, mercy
Give me mercy, mercy
Take me mercy, mercy
I am overcome, I am overcome
And here's my...

... White flag
Waving where my colors used to fly
You win
Here's my white flag
Giving up and giving all of me - I give in
I'm Yours to reign and to rule
I'm just a fool
With a white flag
