On this journey home
I will walk Your road
And I will not turn 'round
For another

Make my pathway straight
Into Heaven's gates
And I will not turn 'round
For another

Lord, it's Your renown
Your eternal fame that I live for now
It's Your name, it's Your name
For Your name

And in my heart I'm sure
I'm completely Yours
And I will not bow down
For another

Trade my selfishness
For Your holiness
And I will not bow down
For another, for another

Lord, it's Your renown
Your eternal fame that I live for now
It's Your name, it's Your name
For Your name

When my sun goes down
And the dark surrounds
I will not cry out
For another

Lord, it's Your renown
Your eternal fame that I live for now
It's Your name

Lord, it's Your renown
Your eternal fame that I live for now
It's Your name, it's Your name

It's Your name, for Your name
