You know she is never gonna tell you if she ___ this way
You know she is never gonna ask you if you feel the
same

The fever and uu the addiction
Was it worth it
Did you give your life away
The fever the desperate religion is all she can say

Give me just a little bit aha
Give me just a little bit

Give me just a little bit aha
Give me just a little bit

Aha
Hah

A train that never stops rolling it's getting into your
blood
A need that never stops growing she's a poisonous one
A hope for better days but nothing hah seems to fix it,
hah, now your wasting away
Indeed a desperate religion is all she will say

Give me just a little bit aha
Give me just a little bit

Give me just a little bit
Give me just a little bit

The fever and uu the addiction
Was it worth it
Did you give your life away
The fever the desperate religion is all she can say

Give me just a little bit aha
Give me just a little bit

Give me just a little bit aha
Give me just a little bit

Give me just a little bit aha
Give me just a little bit

Give me just a little bit
Give me just a little bit
