I'm gonna pack my suitcase, boy and head out on the  
road  
I'm gonna pack me suitcase, yeah and head out on the  
road  
Well that woman I've been loving, she don't love me no  
more

Well I hate to see that evening sun go down  
Well I hate to see that evening sun go down  
Well I feel so lonesome when my baby can't be found

I'm gonna call long distance telephone from coast to  
coast  
I'm gonna call long distance telephone from coast to  
coast  
If I don't find my baby, ain't gonna call no more
