Just because you don't say thanks, don't mean  
someone didn't give  
Just because you got some money, don't mean you  
know how to live  
Just because you look good today, don't mean you will  
tomorrow  
Just because your happy now, don't mean you won't  
know sorrow  
Just because you're clothes are clean, don't mean your  
clean without 'em  
Just because you judge someone, don't mean you know  
about 'em

Just because you moved your mouth, don't mean you  
gave an answer  
Just because you move your feet, don't mean that  
you're a dancer  
Just because you're good, don't mean you'll always win  
Just because you don't get caught, don't mean you  
didn't sin  
Just because you meant to say it, don't mean that's  
what you said  
Just because you look real sexy, don't mean you're  
good in bed

Just because you don't do it, don't mean that others  
shouldn't  
Just because you can't control yourself, don't mean that  
I couldn't  
Just because you talk the loudest, don't mean what you  
say is right  
Just because you're a bully, don't mean you'll win the  
fight  
Just because you say "No problem", don't mean the  
problem ain't you  
Just because you don't go out, don't mean there's  
nothing to do

Just because you put folks down, don't mean that  
you're so cool  
Just because you've been around, don't mean you ain't

the fool

Just because you're talkin' at me, don't mean you're  
talkin' to me

Just because you're smilin' at me, don't mean that you  
won't screw me

Just because you don't say sorry, don't mean that you  
weren't wrong

Just because you make words rhyme, don't mean you  
wrote a song
