Goodbye Sally leaving, oh, oh, oh
You live as well as flowers, mm-mm, mm
But too long in the field mm-mm, mm
Poor old Sally died

Oh, Sally's goin', aha, oh, Sally's goin' now, aha
Oh, Sally's goin', aha, oh, Sally's goin', aha

The lone brown wood is burning slow now
And might damned be unlaw you're goin'
The Sally further alley, oh, oh, ah
Is lying in the bay

Oh, Sally's goin', aha, oh, Sally's goin', aha
Oh, Sally's goin', aha, oh, Sally's goin', aha

Oh yeah

Oh, Sally's goin', oh yeah, oh, Sally's goin', aha
Oh, Sally's goin', aha, yeah, oh, Sally's goin', aha, yeah
Oh!

Oh, go
Yeah, go

Sally's goin', oho, Sally's, aha
Sally's goin', oho, Sally-ally

Oh, Sally's goin', aha, oh, Sally's goin', aha
Oh, Sally's goin' now, aha, oh, Sally's goin', aha

Oh, Sally's goin', aha, oh, Sally's goin', aha
Oh, Sally's goin', aha, oh, Sally's goin', aha

Oh, Sally's goin', aha, oh, Sally's goin', aha
Oh, Sally's goin', aha, oh, Sally's goin', aha

Oh, Sally's goin', aha, oh, Sally's goin', aha
Oh, Sally's goin', aha, oh, Sally's goin', aha.
