Little Jesus sweetly sleep  
Do not stir  
We will lend a coat of fur  
We will rock you, rock you, rock you  
We will rock you, rock you now  
See the fur  
To keep you warm  
Snuggle 'round your tiny form

Mary's little baby sleep  
Sweetly sleep  
Sleep in comfort  
Slumber deep  
And we will rock you, rock you, rock you  
We will rock you, rock you now

We will serve you  
All we can  
Darling, dancing little man

Yeah, we will rock you, rock you, rock you  
We will rock you, rock you now
