Listen to the wind blow
Watch the sunrise
Runnin' in the shadows
Damn your love, damn your lies

Oh and if you don't love me now
You will never love me again
I can still hear you sayin'
You would never break the chain

And if you don't love me now
You will never love me again
I can still hear you sayin'
You would never break the chain

Listen to the window blow
Down comes the night
Runnin' in the shadows
Damn your love, damn your lies
Break the silence
Damn the dark, damn the light

And if you don't love me now
You will never love me again
I can still hear you sayin'
You would never break the chain

And if you don't love me now
You will never love me again
I can still hear you sayin'
You would never break the chain

And if you don't love me now
You will never love me again
I can still hear you sayin'...

(and if you don't love me now)
(and if you don't love me now)
(and if you don't love me now)
(and if you don't love me now)
(and if you don't love me now)

(and if you don't love me now)
