(Verse 1)

I talked to my grandma yesterday
I asked her if she was proud of me
She said I am where I'm supposed to be
Just make sure you don't forget me

(Pre-Chorus)

But how can I forget someone
Who shaped every part of me in livin' my life
Cause without everything that we been through
I'm not sure if I'm a live my life right
But sometimes we forget those
Who mean the most

(Chorus)

And I tried so hard
To live like yesterday
I tried so hard
To live like yesterday
But it never works

(Verse 2)

I talked to my first love yesterday
I asked her if she was missin' me
And she said I'm with who I'm supposed to be
Just make sure you don't forget me

(Pre-Chorus)

But how can I forget someone
Who shaped every part of me in livin' my life
Cause without everything that we been through
I'm not sure if I'm a live my life right
But sometimes we forget those
Who mean the most

(Chorus)

And I tried so hard
To live like yesterday
I tried so hard

To live like yesterday
But it never works
