This Romeo is bleedin'
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up

It's been rainin' since you left me
Now I'm drownin' in the flood
You see I've always been a fighter
But without you I give up

I can't sing a love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But baby that's just me

And I will love you baby
Always
And I'll be there forever and a day
Always

Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
Some hate you, have to say goodbye

What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers try to understand
I've made mistakes, I'm just a girl

When she holds you close, when she pulls you near
When she says the words you've been needin' to hear
I wish I was her cause these words of mine
To say to you till the end of time

And I will love you baby
Always
And I'll be there forever and a day
Always

I'll be there till the stars don't shine

Till the heavens burst and words don't rhyme
And I know when I die you'll be on my mind
And I'll love you always

Always
And I'll be there forever and a day
Always
