(Starboy singing)

Wish you could see her, wish you would see
She's the most beautiful girl in all of the world
And I love her. Honest oh honest I do
Wish you could see her wish you could see
She's the most beautiful girl in all of the world
And I won her. Honest oh Honest it's true
Don't it make you feel
Don't it make you feel like your seventeen?

(Robin singing)

I feel my heart torn from my chest
And I have nothing to show for my shame
I couldn't swallow your bitter pill
And I'm desperate and lonely again
I need to see that you understand
I am so injured and angry at you
Don't it make you feel
I feel like I'm dying
Don't it make you feel
I feel like I'm dying
Don't it make you feel
Like your seventeen?

I'd feel seventeen if we could dance
Oh it's true
I wound up with pain when I wanted

Romance thanks to you

I got my heart torn from my chest
And I have nothing to show for my pain
Am I'm so easy to hunt and kill that I'm desperate and
Lonley again
Don't it make you feel
I feel like I'm dying
Don't it make you feel
I feel like I'm dying
Don't it make you feel
I feel like I'm dying
Don't it make you feel

Like your seventeen

I can't believe it
She's the most beautiful girl
Don't it make you feel
I can't believe it
Don't it make you feel like your seventeen
I can't believe it
Ooh ooh
She's the most beautiful girl
Don't it make you feel
Like your seventeen
I can't believe it
Ooh ooh
She the most beautiful girl
Don't I make you feel
Like your seventeen
I can't believe it
She's the most beautiful girl
