I got new sneakers today
Just like you told me
A short hair cut last sunday
Just like you told me

I tried running away
Why don't you love me?
And I tried begging to stay
Why don't you love me?
I killed us like I killed the whisky
Why don't you love me?
Drank it down and came back thirsty
Why don't you love me?
Why don't you love me?

I got that straight job today
Just like you told me
But my dreams don't fade away
Just like you told me

I'd rather be alone
Than be the way you want me
I'd rather be alone

I'm not running way
Why don't you love me?
And I'm not begging to stay no
Why don't you love me?
I killed us like I killed the whisky
Why don't you love me?
Drank it down and came back thirsty
Why don't you love me?
Why don't you love me?
Why don't you love me?
Why don't you love me?
