Yard of white birds  
Seen and heard  
Through the running screen  
Orchard in pale bloom

A man hoes a hall  
The sun hasn't hit  
On a day you can smell  
The Pacific

Liquor  
On the breath  
Of a wind bearing rain  
Liquor  
On the breath  
Of a wind bearing rain

Lean on the car  
Folding your arms  
Go unnoticed

Though the dress is red  
The car is new  
And the eyes are flashing  
Wide open

Liquor  
On the breath  
Of a wind bearing rain  
Liquor  
On the breath  
Of a wind bearing rain
