A deer struck down by a car
Brings two cows in trade
A deer not killed by the weapons of man
Got some ice in my radiator, want to drive away
Drinking beer at six, try to stay awake

O, the fury
O, the fury
Waiting on the station man
O, the fury
O, the fury
Waiting on the station man

Fog so thick they'll be no light of day
The things I've loved and never known
No open gas off the Interstate, I want to fly away
Times like this, you're on your own

O, the fury
O, the fury
Waiting on the station man
O, the fury
O, the fury
Waiting on the station man

Have another beer and tell me where you're from
Dancing slow, so straight and slow
Just another hour and the store'll open up
There's another world below

O, the fury
O, the fury
Waiting on the station man
O, the fury
O, the fury
Waiting on the reservations of
Man

A deer struck down by a car
Brings two cows in trade
